Vol. 3 No. 17 June 15, 1964

the Rockwell Report

YOU CAN PUT LYNDON JOHNSON IN JAIL!

Official Publication of the American Nazi Party

THE ROCKWELL REPORT is published fortnightly by the American Nazi Party at 928 N. Randolph St., Arlington, Virginia, U. S. A. Single copy, 50¢. One year, mailed first class in plain, unmarked envelope, $10, Air Mail, $11. One month, $1. Clippings welcomed.

H64

Three days ago, in an airline ticket office in Amarillo, Texas, I was suddenly approached by a man who recognized me from TV appearances. He asked me if I would be willing to meet him in private.

I was alone, of course, and I am not ignorant of the chances involved. But my most powerful weapon and most protective armor has always been audacity, so I agreed to meet this gentleman in a room behind the airline office.

It was worth it!

The man was taking more of a chance seeing me than I was seeing him! He is occupying a key, strategic position in Texas, -a position which has put him in possession of sensational, smashing facts which can, and I believe will, blow the President of the United States right out of the White House and into a Federal Prison!

Here are some of those facts, (the KEY item will have to be witheld for reasons which will be obvious, until after the political conventions.)

Billy Sol Estes, readers will remember, is the Texas wheeler and dealer who has been convicted of massive criminal swindles involving literally billions of dollars. His operations uncovered unspeakable corruption in top Federal offices and, to cover the trail, men have been shot, secretaries have been spirited into insane asylums, huge pay-offs have been made, and dozens of men silenced with money or threats. One Texan who uncovered some of this rot in our national life was found shot five times, -once in the back, --and his death was ruled a "suicide" by the cabal! The Washington secretary in charge of Estes file in the agriculture Department of the U. S. Government was seized in her office and dragged off to Saint Elizabeth's mad-house! There is more, but it has all been set down elsewhere, and this article is to present NEW material, -the material which I believe will produce a "Teapot Dome" scandal which will rock the world!

The man who met me in that little room in Amarillo, Texas, last week, holds a very special kind of official position. Because of that position, he has come into the deadly knowledge that will PROVE the connection between Lyndon Baines Johnson, the man who is now President of our United States, --and Billy Sol Estes, --the man who has JUST BOUGHT A HUNDRED THOUSAND DOLLAR HOME AND SET UP A HUGE IMPORT BUSINESS IN SPITE OF SOLID CONVICTIONS ON CRIMINAL CHARGES AND SENTENCES OF MANY YEARS IN THE PENITENTIARY!

It is obvious that Billy Sol Estes is arrogantly sure he is not going to prison.

Mr. Estes knows that if he were to TALK, some of the TOP men in America would go to the penitentiary with him. And these top men know that if he goes to prison, Billy WILL talk. And so Billy continues on his merry, corrupt way, secure in the knowledge that he will NOT go to prison.

But there is one fatal flaw in the plans of these scoundrels.

THERE IS ONE MAN ALIVE WHO HAS ALL THE FACTS TO BLOW THEIR FILTHY CAREERS OF CORRUPTION STRAIGHT TO HELL!

That man was Billy Sol Estes personal airplane pilot.

That man regularly carried Billy Sol Estes to Washington, D. C. with BAGFULLS of enormous bills, -millions in CASH. When Mr. Sol Estes returned to Texas, he was MINUS the cash, -the bags were empty.

That pilot can testify that the man visited in Washington by millionaire swindler Billy Sol Estes was none other than LYNDON BAINES JOHNSON!!

Right after Estes was convicted, the pilot, out of a job, went almost broke. He was trying to sell an old airplane and was almost literally bumming nickles.

NOW, all of a sudden, that personal pilot of Billy Sol Estes has turned up with almost unlimited supplies of hard CASH!

He has suddenly blossomed out with a whole FLYING SERVICE, with lots of super-expensive airplanes!

His credit rating has gone from worthless to TOPS! He can get anything he wants, --and is doing so!

My informant has cautiously approached news media with this information, -and has been turned down in horror everywhere. He has tapes in which outright THREATS have been made by Governor Connolly of Texas, Bobby Kennedy and other key figures in the filthy mess in Washington.

Knowing nowhere else to turn, this courageous man finally contacted ME, -as his last resort!

The man is no crack-pot or nut. He holds a very responsible position, and PROVED it to me.

He has been SHOT AT TWICE, already.

SENSATIONAL NEWS! ANOTHER ESTES "SUICIDE"!

A-4 ★ THE SUNDAY STAR
Washington, D. C., June 21, 1964

Top Estes Prosecutor Kills Self in Arlington

Rufus McLean, chief prosecution attorney in the Billie Sol Estes fraud trial last year, was found shot to death yesterday in his Arlington home. County police ruled the death a suicide.

Mr. McLean, 44, was chief of the trial staff in the Justice Department's Criminal Division. Associates said he had been ill and under a doctor's care for the last six weeks.

His body was found in a bathroom in his home at 2637 North Quantico street at 1:05 p.m. by his youngest son Jeffrey. County police said a .22-caliber revolver was found near the body.

Mr. McLean, born in Catlettsburg, Ky., was graduated from Marshall College, Huntington, W. Va., in 1941 and received his law degree from George Washington University in 1947. He served as an assistant prosecutor general and defense counsel in general courts-martial while with the Marines during World War II.

After the war, Mr. McLean joined the General Accounting Office. In November, 1947, he joined the Justice Department's Tax Division and was transferred to the Criminal Division in 1951.

Mr. McLean held the title of Assistant United States Attorney General when, in March, 1963, he headed a team of Government attorneys who successfully prosecuted Texas financier Billie Sol Estes on four counts of mail fraud and one charge of conspiracy.

Mr. Estes, later sentenced to 15 years in prison on the charges, was charged with bilking about 100 individuals and a dozen financing firms of an estimated $24 million through manipulation of mortgages on empty fertilizer tanks.

Mr. McLean leaves his wife Melva and two sons, Jeffrey, 12, and James, 19. Funeral arrangements are being handled by the Arlington Funeral Home.

RUFUS McLEAN

NO SOONER DID I ARRIVE IN ARLINGTON THAN THE ESTES PROSECUTOR COMMITTED "SUICIDE"!

PRINTED COPIES OF THE ROCKWELL REPORT ON THE ESTES CASE CAME OUT ON JUNE 20th.

THE SAME DAY, JUNE 20th, McLEAN WAS FOUND SHOT, RIGHT HERE IN ARLINGTON!!

I have no doubt that after publication of this piece, there will be further attempts, -but he is taking every precaution, and so am I.

Everything hinges on bringing this ex-pilot of Billy Sol Estes before a proper legal body under oath, and forcing him to testify.

Once one of this kind of rat begins to squeal, ALL of them will "run for the round-house" like the yellow cowards they are, and will rush to tell all they know to get lighter punishment.

Before any such thing will be allowed to happen, I have no doubt that the pilot will "commit suicide", -as one man involved has already done, shooting himself five times, once in the back and fracturing his skull with a heavy blow.

Now here is a GOLDEN CHANCE for all sincere patriots to DO SOMETHING bigger than anything we have ever done before!

Through the man in Amarillo, if this pilot can be offered enough protection under the right conditions of survival and security, we know that we can obtain an AFFIDAVIT WHICH WILL BLAST THE PRESIDENT OF THE UNITED STATES AND SOME KEY CABINET MEMBERS RIGHT OUT OF WASHINGTON, D. C. AND PUT AT LEAST SOME OF THEM BEHIND BARS WHERE THEY BELONG.

I know of a least a DOZEN millionaires on our side who could afford to DO THIS.

Whether any of them will have the GUTS, is something I doubt.

Readers who personally know any of these men are urged to contact them and do what they can. But, again, my experience with the cowardice and indecision of men on my own side gives me no grounds for hope that they will do anything except claim this is a big plot by Rockwell to ruin them all, --as usual.

However, I am publishing all this as a second line of attack. Even though our readership is small and completely blacked out on national consciousness by the Jew "paper-curtain", The ROCKWELL REPORT is regularly seen by hundreds of top men on both sides of the fence, and certainly studied word-for-word by the Jews.

The knowledge that their paid-off pilot has already told THIS MUCH, and that we KNOW HE KNOWS MORE, --will produce an inevitable reaction, -the same reaction produced in Al Capone and his mob when they knew there was a witness to one of their murders.

If the pilot or my informant suddenly have "accidents" of any kind, the finger will point at the guilty criminals in Washington so strongly that I do not believe they can any longer cover it up!

Now here is a REAL chance for the "conservatives" who have been howling about "impeaching Earl Warren" and nailing Bobby to DO SOMETHING.

Here we have the GOODS on the criminals to DESTROY the conspiracy and its perpetrators, if we ALL take the weapon placed in our hands by what I believe is the power of the Lord Himself, through the agency of that brave man in Amarillo.

Here is the opportunity to STRIKE, not talk!

The man in Amarillo has laid his career and his LIFE on the line to hand us this weapon of truth!

I am prepared to face the devil himself to see that the weapon is used as the Sword of Truth which it isand PLUNGED INTO THE BLACK HEARTS OF OUR NATION'S ROTTEN TRAITORS AND VILLAINS.

YOU can see that this information reaches every right-winger you know, especially those with the funds to FIGHT, and that SOMEBODY does SOMETHING besides talk and pray for a change!

I want no funds or glory, -only to put the man in Amarillo in contact with American patriots who will DO SOMETHING with this factual H bomb!

I cannot believe that the Lord provided this improbable meeting and information only so that it could be printed here and then be allowed to slip out of the hands of patriots.

Mr. Hunt, Mr. Welch, Mr Maguire, --all of you who have the funds to fight, I charge you to DO SOMETHING about this, -or forever be silent with your talk of treason. If this man or the pilot, or both, are murdered now as others have been, after I have further risked MY life too, to set these facts forth, -then the blood will be on YOUR hands.

In the name of our Race, our Republic and our Religion, I charge every patriot to do what he can to see that the brave man who waits in Amarillo is not betrayed!

BLACK COMMUNIST

On this page we reprint an article from a nigger paper which shows the REAL story of how things are going in the "black revolution".

Taylor, an arrogant and avowed COMMUNIST, got more than 33 THOUSAND votes, --in just ONE district of one county in California!!!

And this is in the middle of the most fantastic, -even if phony, -prosperity the country has ever seen!

Let poverty and economic catastrophe strike, with millions unemployed, -and you will find literally MILLIONS of these brutal, black communists all over the United States.

VOTE RUNS 13% FOR COMMUNIST LEADER IN L. A.

WILLIAM C. TAYLOR
His showing impressive . .

LOS ANGELES — William C. Taylor, Southern California Communist party spokesman, was garnering more than 13% of the vote in Los Angeles county's second supervisorial district, according to almost complete unofficial returns Wednesday morning.

Taylor was the first representative of his party to run for public office in the Los Angeles area in 14 years.

With 2,022 precincts reporting Wednesday morning, Taylor had 33,242 votes. His sole opponent, incumbent Kenneth Hahn, had 216,190 votes.

In a television interview Hahn said Taylor had "run a hard race and was absolutely frank about his political affiliations. That is to his credit."

As a Negro candidate Taylor placed special emphasis on the issue of minority representation and on the grievances of the large Negro and Mexican-American communities in his district.

The leaders of the Communist Party are scum and traitors, but they are not fools. They know what they are doing, and they are not just playing games. They are out to launch inflamed masses of bloodthirsty BLACK mobs at the jugular vein of White, Christian Americans everywhere.

These professional revolutionists cannot be stopped by any "nice" methods. Eventually it is going to take every White Man worthy of the name standing up in the STREETS to these black communists. When it comes to THIS, millions of Americans will be looking not for "Birch" societies or "state's rightists", ---but for men who have already won national recognition as FIGHTING leaders of the White Race, men with the guts to lead the fight in the streets successfully TODAY!

And those revolutionary WHITE LEADERS are training right now, - in the American Nazi Party. We will be ready!

WELCOME NEWS FROM BIRMINGHAM

The men involved have asked me to keep the details secret for a while, but I CAN say that one of the most encouraging developments in the effort to unite the right wing has just taken place in Birmingham, Alabama. The insanity of bitter quarreling between the two hardest-core right-wing organizations in the USA will soon come to an end as sincere men in whom I have the utmost confidence act to bring cooperation and friendship among us in the place of the crazy bickering of the past. I will pledge these men my utmost efforts to help them and do nothing to hurt them. I will also predict they will be bitterly attacked themselves by the troublemakers. I urge all sincere White Christians to help these men to the limit. As soon as they are ready I will give their new move full coverage and all possible cooperation.

ANOTHER FULLFILLED PREDICTION

In the ROCKWELL REPORT for April 1, 1964, we wrote, "...the intensity of the worship bestowed on Scranton by the Hebrew rags (newspapers) convinces me that he is the sleeper in the Republican camp".

Those who claim there is no conspiracy by God's Chosen S.O.B's should be asked to explain how come WE can predict the "sudden" "surprizing" rise of Mr. Scranton, backed by Ike, - just by reading the Jew press.
